MAP KIBERA

citizen mapping | citizen media

Kibera in Nairobi, Kenya, was a blank spot on the map until November 2009, when young Kiberans created the first free and open digital map of their own community. Map Kibera has now grown into a complete interactive community information project.

Map Kibera Trust at the UN Habitat 24th Governance Council

The 24th UN HABITAT Governing Council (GC24) was held at the UN Complex Nairobi under the theme â €˜sustainable urban

developmentâ€™, on the roles of cities in creating improved economic opportunities for all, with special reference to youth and women. Th...

Frequently Asked Data

Map Kibera fields all sorts of data questions from the net and in the community. Weâ€™re happy to oblige, our core mission is to openly share and distribute information about the slums, by slum dwellers, for slum dwellers. We also want to share those q...

Security Map Draws Attention in Kibera

Map Kibera Trust has completed painting a security map on two walls in Kibera as a community outreach program. Wall painting played a big role in providing key security information during the just concluded general election; particularly to visitor...

Mukuru Conclusion and Beginnings

Mukuru has maps! Late last year, Map Kibera formally wrapped up work under the UN Habitat Youth Fund. This small grant gave the members of Map Kibera Trust themselves the space to implement a mapping project from start to finish. From project desig...
